OPERATION WAKE SURF

MONTHLY UPDATE

As we close out this calendar year, we look back marinate on the many accomplishments. The people here at Operation Wake Surf continue to maintain a posture of gratitude, and we continue to find ourselves surrounded by extraordinary people. This past year has given us the opportunity to strengthen existing friendships, and build new ones.

The crew of Operation Wake Surf are pleased to report that in 2023, OWS has traveled 17,263 miles cross country, visited 8 states, hosted 29 events, and pulled 183 Hero's!

This is an amazing picture of what our organization can do with supporters like you! We wish blessings on everyone this season, and we praise God for the blessings He's provided OWS and the Hero's we've served this year.

SUPPORTER SPOTLIGHT

KEITH -BYERS - LIG RENTALS

Keith is a new sponsor of Operation Wake Surf. Relationships with him and his company started organically at this Years Worlds Tournament. "I learned of OWS at the event after searching for a wake surfboard to borrow. I was introduced to Robbie, and he offered to lend me one" says Keith.

Keith is the CEO and Co- Founder of LIG Rentals out of LOOMIS, CA. They are in their 5th year of business and have grown to 30 employees. Their recent exponential growth has allowed them to focus on local needs such as disaster relief. "I'm extremely passionate about our Brand and my employee's wellbeing. As a team, we've been a part of Every California, Oregon, New Mexico, and Dakota fires over the past few years. We also played an intricate role during Hurricane Ian.

When Keith isn't working and serving his community, you can find him on the water with his wife and son. "As a family, we try to experience as much as possible together during trips and vacations. We love boating and Jet skiing together".

Serving those who serve us is a special relationship fueled by our supporters. "I'm grateful, humbled, and excited to do BIG THINGS moving forward with Operation Wake Surf" says Keith.
