OPERATION WAKE SURF

MONTHLY UPDATE

September will be our final newsletter of 2024. OWS will be taking the rest of the year to plan 2025 events, attend smaller non-profit events and work to develop stronger relationships with our existing partnerships.

As we look back on the blessings that 2024 presented, we are humbled by the amount of people and events that we were able to attend and host. In these past 10 months OWS was able to pull; 286 heroes throughout 12 states. We drove over 26,000 miles to both attend and host events throughout the country. OWS also came alongside 6 non-profit organizations with the same vision and same heart to serve those that serve us.

These moments bring us such joy, and the joy we get to see in the heroes and support staff makes all this effort eternally worth it. As we pivot into 2025, we maintain a posture of flexibility, availability, and servitude. For those of you that have received this letter over the past year please know, the support you give us, and our Heroes do not go unnoticed!

These last few months of the year will be time spent planning and connecting. If you are a current or former member of the military, police, or fire departments, we want to serve you. If you are a business owner, or you feel the organization you work for has similar aspirations to serve, please contact us. We believe that many hands make light work, and our vision is to align ourselves with people that have a similar vision and heart towards serving those that serve us.

UP NEXT

EVENTS

Fishing charters to be offered in Morehead NC in the fall. Dates and invites to follow.
